Foundational Number Sense Skills

Date I started practicing	I can do it with my chart	I can do it without my chart	Foundational Number Sense Skills
			Read all the numbers from 1 to 120
			Count forwards and backwards to 120 by ones
			Count forwards and backwards to 120 by tens
			Count forwards from any number less than 120 to 120. (Example: Count from 83 to 120)
			Skip count by 5s and 10s to 120
			Skip count by 2s to 120
			Name the number that is one more and one less than any number between 1-120
			Name the number that is ten more and ten less than any number between 1-120
			Name how many tens and ones a number is made of (Example: 15 is made of 1 ten and 5 ones)
			Complete a missing number hundreds chart task.
